Annexure I to V of Government Resolution Industry ,Energy and Labour Department No. PSI 2110 /CR 239/Dated 18th June, 2011.

Annexure I

Sanction and Disbursement of Incentives – Subsidy for the expenses incurred for Cleaner Production Measures

(Read Para 5.7 & GR PSI-1707/CR-507/IND-8, dt.30.3.2007)

The State Government has declared the Industrial, Investment, Infrastructure Policy 2006 to ensure sustained industrial growth, further improve the conducive industrial climate in the State, provide a global competitive edge to the State's industry, and promote employment and balanced regional development. As envisaged in the Policy, the Government of Maharashtra subsequently announced the Package Scheme of Incentives (PSI) 2007 vide Government Resolution No. PSI-1707/(CR-50)/Ind-8, dated 30th March 2007. The Government Resolution outlines the eligibility criteria, quantum of incentives and monitoring mechanism for administering the Scheme.

The concept of incentives for strengthening of Micro, Small and Medium Manufacturing Enterprises has been incorporated in the PSI-2007 and the quantum of incentives outlined there in (para 5.7 of G.R. dated 30th March 2007).

Cleaner Production Measure is a preventive, company-specific environmental protection initiative. It is intendend to minimize waste & emission and maximize product output. By analysing the flow of materials and energy in a company, one tries to identify options to minimize waste and emissions out of industrial processes through source reduction strategies. Improvements of organisation and technology help to reduce or suggest better choices in use of materials and energy, and to avoid waste, waste water generation, and gaseous emissions, and also waste heat and noise.

Cleaner production (CP) is a strategy to minimine the waste through the

1. Prevention of waste through good house keeping, improved process management, New or modifided production process/ equipment/ technologies/ material substitution / reuse/ recovery & change in product producing useful by products.
2. Promote better environmental performance through reduction at source of waste and emissions
3. Systematic approach to identify & implement options for improvement.
4. Continious improvement by minimising waste

The procedure for sanction and disbursement of incentives for cleaner production measures for strengthening of Micro, Small and Medium Manufacturing Enterprises, is as under;
